

Kevin G. Langan

School *At the Center for Disability Services*

March 1, 2021

Langan school is committed to open and on-going communication with families. We would like to inform you that the administrators of Kevin G. Langan School have been working with the local Departments of Health in contact tracing our most recent positive cases.

We have been made aware of a positive staff at Albany Langan School. This staff has not been in any other building.

DOH will reach out to all individuals who had contact and will advise them to quarantine. We have been in contact with all families and staff affected by these most recent positive cases.

Effective March 1, 2021 Glenville and Albany CloverPatch, Albany Langan, and Langan at Prospect Schools will remain open for in-person instruction.

Glenville CloverPatch is operating with 1 classroom attending virtually. This classroom will return in-person on 3/5/21

Albany Langan is operating with 1 classroom attending virtually due to our most recent positive case. This classroom will return to in-person on 3/9/21

Albany Afterschool Program will be closed until 3/9/21

Teachers and therapists will provide virtual instruction and services during this time. CloverPatch and Langan School have been working with school districts throughout this school year to ensure that students have adequate equipment to participate in virtual learning. We encourage you to reach out to your students' teacher if you are in need of any additional resources or have any concerns.

Due to the requirements of the Health Insurance Portability and Accountability Act (HIPPA) we cannot disclose any personal information about the staff or student who tested positive or those that have been in contact with them. Those involved have been placed on mandatory quarantine and will remain there for a period of 10 days before returning to school.

Thank you,

Kalotta Hemingway RN DON
