School *At the Center for Disability Services*

January 6, 2022

Center for Disability Services is committed to open and on-going communication with families. We would like to inform you that the administrators of education division have been working with the local Departments of Health in contact tracing our most recent positive case.

- We have been made aware of one positive student and two positive staff at Albany Langan School.
- We have also been made aware of one positive student at Langan School at Prospect Center.
- We have also been made aware of one positive staff at Glenville CloverPatch.

Effective January 5, 2022 Glenville and Albany CloverPatch, Albany Langan, and Langan at Prospect Schools will remain open for in-person instruction. **All affected parties have been notified. If we have not notified you by phone or email your student is not directly affected.**

Due to the most recent staff positives;

Langan at Prospect will be operating with 3 classroom on hybrid instruction. Students and staff from this classroom will be returning for in-person instruction on 1/14/22 and 1/18/22.

Albany Langan will be operating with 12 classrooms on hybrid instruction. Students and staff from these classrooms will return to in-person instruction on 1/14/22 and 1/18/22.

Glenville CloverPatch will be operating with 3 classroom on virtual instruction. Student and staff from this classroom will return to in-person instruction on 1/14/22 and 1/18/22.

Teachers and therapists will provide virtual instruction and services during this time. We encourage you to reach out to your students' teacher if you are in need of any additional resources or have any concerns.

Due to the requirements of the Health Insurance Portability and Accountability Act (HIPPA) we cannot disclose any personal information about the staff or student who tested positive or those that have been in contact with them.

Thank you,
