School *At the Center for Disability Services*

December 11, 2020

Langan school is committed to open and on-going communication with families. We would like to inform you that the administration of Langan School at Prospect Center has been working with the local Departments of Health in contact tracing our most recent positive staff cases. Today we have been made aware of a positive staff at Langan School at Prospect Center. This staff has not been in any other school building or on any other school grounds.

DOH will reach out to all individuals who have had contact and advise them to quarantine. Langan School at Prospect Center has been in contact with all students and staff affected by this most recent positive case. Langan School at Prospect Center has been closely monitoring the percent positive rate in Albany, Warren and Schenectady counties. Langan School at Prospect Center school administration in coordination with our medical director and the local health department have determined that it is in the best interest of our students and staff to move to complete virtual education for students in grades K-12.

Currently the preschool program at Prospect will remain open. **Effective Today December 12, 2020 Langan School at Prospect Center will move to complete Virtual learning for grades K-12 until January 4, 2021.**

Langan School at Prospect Center will be operating virtually until January 4, 2021. Teachers and therapists will provide virtual education and services during this time. Langan School at Prospect Center has been working with school districts throughout this school year to ensure that students have adequate equipment to participate in virtual learning. We encourage you to reach out to your students' teacher if you are in need of any additional resources or have any concerns.

Due to the requirements of the Health Insurance Portability and Accountability Act (HIPPA) we cannot disclose any personal information about the staff who tested positive or those that have been in contact with this staff person. The staff has been placed on mandatory quarantine and will remain there for a period of 14 days before returning to school.

Thank you,
