

Center for Disability Services

To: All staff

From: Greg Sorrentino 

Date: June 4, 2020

I want to reach out to you today to acknowledge the events of last week in Minneapolis and subsequent protests in our region, and across our country.

The Center for Disability Services, throughout its history, has been committed to equity throughout our organization, and has been enriched by its diversity of those we support, and those we employ. The Center for Disability Services has promoted inclusion in our mission and in our programs, and believes there is no place in this world for discrimination of any type, or against anyone.

The Center will remain a partner with those we support, their families, and our staff to assure that everyone has access to the services and supports needed to get better at life.
